June 2025

the Acorn

A newsletter for friends and residents of Oakleaf Village

June is a beautiful time of the year to take a walk around our campus, sit outside by the gardens or just watch the birds out your window. Be sure to stay hydrated and drink plenty of water! It would be a great idea to carry a water bottle, or buy a reusable drink container to carry with you. If you take a walk outside, it is asked that you let the front desk know that you are walking around the building and when you return.

We are going on a lot of extra fun outings this summer that may fill up quick. Be sure if you would like to go on the bus with us, you sign up at the front desk in advance so you are sure to get a seat. If you have a walker, be sure to empty the bags on your walker as best you can so the items don't fall out when storing the walker and they are able to fold to fit in the corral on the bus.

June is also a time where kids are out of school and

summer break begins. We have a handful of retired teachers at Oakleaf. Our Oakleaf Retired Teachers group will meet on June 3rd to chat about what it was like to teach during our era, your favorite moments as a teacher and how it was the last

**Father's Day

week of school before summer break.

Charlene, from the W.I.S.E. program, will be here to do Bingocise twice a week the last few weeks in June. It is a fun way to do a unique type of bingo while learning and exercising. It is free to play and you can win great prizes! She will be back in July to do the W.I.S.E. program to educate seniors to be better advocates for their health and wellness. It is a great program. You can talk

to Charlene about it during Bingocise if you want to learn more.

A gentleman named Josh Farley will be here on June 26th. He is an illusionist who has been on T.V. and traveled the country doing his magic show. Invite your family and friends to come and see this fascinating and magical show!

We have a new activity on the calendar this summer, Poetry writing with Dan. Dan is a local teacher that wants to come and talk about different types of poetry and teach you how to write poetry from Haiku, Cinquain, Pantoum, free verse and more. He will be here weekly beginning June 26th. Come try something new!

Have a wonderful June, meet a new friend and get some fresh air! We are so fortunate to be surrounded by such beautiful trees, nature and amazing people.
