# August 2025

# the Acorn

A newsletter for friends and residents of Oakleaf Village

We are going to Dancing our way into August by learning the Chicken/Banana Jingle. It is a fun way to get moving, laugh together and learn a new age dance. Look for our video on Facebook!

Kimberly, a student from the University of Michigan, will be here on August 6th to host a unique BINGO game. While she is playing BINGO, she will be educating you on diabetes, healthy food options to choose if you have diabetes and give you some tips to keep your blood sugars under control. What a great way to learn and win fun prizes.

It's Elena and Aurora's first birthday and they are going to celebrate it with us! Joni, our receptionist and Sam, in HR, both had their babies the same day, at the same hospital, last year. They both have stopped in to visit throughout the year and its been fun to watch them grow! So they invite you all to their

strawberry themed birthday party on August 7th. No presents please!

Give August  
Your All!

We are having our annual Alzheimer's Walk fundraiser Saturday, August 16th from 10-1 right here in our Oakleaf Village parking lot. We will have a short walk, hot dogs/hamburgers for sale, as well as goodies. A DJ, 50/50 raffle and much more. This is for not only our residents, but your families and friends too! All the money raised will go to the Alzheimer's Association. If you ordered an Oakleaf Alzheimer's shirt, today is the day to wear it.

The Transportation schedule looks a little different this month. Be sure to check

out the changes on the August calendar so you are informed of when we are going to the stores and outings, so you can prepare accordingly. It is important that you sign up at the front desk in advance for all outings.

We have wheelchairs and shopping carts for you to use if needed. They are located in the TV lounge. We ask that you return them so others have the same opportunity to use them. We ask that if you feel you need a permanent wheelchair, you purchase one of your own. If you need help acquiring one, please ask the therapy department or family doctor.

We hope you give August your all this month! Try something new, meet a new friend and get outside and enjoy the final days of summer. Life is what you make it!
