THE ACORN

A NEWSLETTER FOR RESIDENTS, FRIENDS, & FAMILY OF OAKLEAF VILLAGE

Pumpkin season has arrived and we have lots of pumpkin things happening at Oakleaf. We will be carving pumpkins, painting pumpkins, decorating pumpkins, having Iced Pumpkin coffee and even playing a pumpkin head game! What a perfect way to celebrate autumn!

Another Autumn favorite is Apples! We will be making applesauce in the crock pot. After it cooks all day, after dinner we will enjoy a warm scoop, over ice cream, and it tastes like apple pie ala mode. Another apple favorite in October is we will be serving a cinnamon, apple, bourbon smash during our 2nd weeks Thirsty Tuesday.

We cant forget where we get these delicious apples and

bright orange pumpkins, at orchards! We will be going to two apple orchards this month. McQueen's and Johnson's Fruit Farm. Sign up at the front desk if you would like to go, the bus fills up fast.

Pumpkin Season

At the end of the month is Halloween! We will have our annual Trunk or Treat event on Sunday, October 26th and we want you all to participate! We need help passing out candy to the ghosts, goblins, pirates and princess' that attend. We need

help decorating the areas outside that they will trick or treat at, and we need candy! If you would like to donate candy for the kids, please give it to the activity team before Friday, October 24th. On Halloween day, we will have a Halloween party in the lobby with songs, jokes, costumes and Halloween games.

October is jam packed with activities for everyone! The activity team does their best to meet your spiritual, physical, social, mental and self care needs. If there is something you would like to see take place at Oakleaf, that we do not do, please drop a note in the activity suggestion box located in the multi-purpose room. We want to help you live your life to it's fullest at Oakleaf with fun, love and support.

A Friendly Reminder About Assisted Living/Medicaid Waiver

Crys Daunhauer-Business Office Manager

The transition to a residential community is a daunting process and there is a lot of information given to you during this time, so we know you’re not going to remember everything. Oakleaf Village is an approved community for the Ohio Assisted Living Waiver program. This is a program that you can apply for to get assistance with your rent when you realize you will be running out of your private funds. Here are some of the guidelines specific to Oakleaf Village of Toledo and the Assisted Living Waiver:

- Residents must have a \$0.00 balance on their ledger at the time of application with the state
- Residents will be required to move to a Medicaid Certified studio unit, if available. Residents are responsible for taking care of all arrangements and charges regarding such a move.
- When you determine that you are approximately six (6) months from running out of personal funds, you must reach out to the Business Office Manager to get the information to call and order an application packet from the Area Office on Aging. You will be given additional information from the Business Office Manager at this time that is beneficial to the application and assessment process.

Should you have any questions or concerns, please feel free to contact me at your convenience.
