OAKLEAF VILLAGE
INDEPENDENT & ASSISTED LIVING

OCTOBER 2026

THE ACORN

A Newsletter for Residents, Friends, & Family of Oakleaf Village

The air is crisp, the leaves are turning colors and beginning to fall: Autumn has arrived! This is such a fun season at Oakleaf. We will be making scarecrows, painting and carving pumpkins, wrapping mummies, and having our annual Trunk or Treat. So many great things are planned for you to join in on.

We are going to do some fall cleaning of your walkers and wheelchairs! On October 13th, the department heads will be washing your mobility aides from top to bottom! They will clean off any germs and dirt and look each of them over to make sure they are as safe as they need to be. Come to the lobby to get a sparkling set of wheels.

Football season is up and running! Come to the TV Lounge or the MPR to watch the weekend games. Last month, we bought a new 65-inch TV for the TV Lounge; this month, Westgate Chapel donated an 85-inch TV for the multi-purpose room. It feels like you are at the game! Go Team!

Have a great October—make a new friend this month!

Living at Oakleaf opens the door for a whole new life!

Fun Facts and Updates!

- With the holidays coming up, make sure you RSVP in advance for any space you may need to host a party. The multi-purpose rooms hold 50, the TVL holds 20, and the Private Dining Room holds 10. See the activity department for reservations.
- We have a prayer jar in the chapel. If you have a prayer request, place it in the jar. Every Friday at 3 PM, we will pull out the prayers and pray for you. Everyone is invited to join in.
- It is so important to have proper footwear. Do your shoes fit properly? Do you have good traction on the bottoms of them? When walking around your apartment, be sure to wear gripper socks. This is all very important to prevent falls.
- With the weather getting colder, some tips for a warm apartment: Are your windows closed tightly and locked? Ask the desk to have the maintenance man cover your air conditioner. Are all your thermostats on? Some aparetments have more than one thermostat.
